FEEDBACK PROCESS

Process for Feedback -

Our institute is affiliated to the Savitribai Phule Pune University and follows the curriculum offered by the University. Teaching faculty of our institute actively participate in curriculum delivery to improve quality assurance to meet the set objectives of the institute. Our institute believes that extensive growth can only be possible if anyone knows about the feedback is one of the testimonies of our belief. A regular feedback based on goal centered criterion from students always been appreciated. To meet the set objective of the institute, feedback is designed in such a way that it covers all aspects related to the curriculum and other facilities provided by the institute. The filled in feedback forms were analyzed properly and the significant suggestions have taken into consideration for effective implementation and action. The feedback questions encompass quality of education and facility provided along with any improvement in curriculum delivery. Feedbacks received from Google form from the stakeholders on different questionnaires were analyzed and considered for productive action and implantation. Based on the feedback received it was summarized, analyzed for the effective suggestion related to syllabus other facilities available with the institute and for the extensive growth of institute.
