Research policy

Policy: This policy is meant for the promotion of research activity in the institute by faculty and students

Promotion of research: following steps will be taken by institute

- A. Allocation of seed money
- B.T.A.& D.A. given to faculty for attending scientific conferences
- C. Facilitate with respect to machineries, equipment and instruments.
- D. Chemical, glass ware, reagents & active ingredients.
- E. Availability of e-journal and library reference books.
- F. Well-equipped research lab.

Procedure:

1. Faculties and students are eligible for carrying out research work in the R&D department.
2. They are allowed to utilize required equipment's, instruments, machineries of institute for their research work without disturbing academic schedule of institute.

(57) Abstract :

The present invention relates to process for preparation of Polyherbalchurnaby using Cucumis Displaces (seed part), Momordica diocia (seed part) and Momordica charantia var. muricataand (dried fruit part)and pharmaceutical acceptable excipients. Further invention relates to evaluateIn-vitro antioxidant potential with therapeutically effective amount of different polyherbal churna used in preparation.The present invention further relates to extracts which are isolated from different parts of plant parts, the preparation of such polyherbal Ayurvedic churna, the medicaments containing said extracts, and the use of these extracts and constituents for the preparation of a medicament. The present invention also relates to the process for preparing different polyherbal Ayurvedic churna by using different methods
