

Name	Mr. Sujit Tukaram Tambe
	Designation: Assistant Professor in Pharmaceutics Specialization: Pharmaceutics Qualifications: M. Pharm. (2009)
Academic Experience	<i>10 Years</i>
Industry Experience	<i>NIL</i>
Publications	National Papers : 02 Book: 01, Textbook of Physical Pharmaceutics-I, Success Publications
Area of Specialization	M.Pharm. in Pharmaceutics
Research Interests	<u>Formulation and Development of Novel Drug Delivery Systems, mainly:</u> • Orally disintegrating drug delivery system. • Gastro-retentive drug delivery system. • Pulsatile drug delivery system. • Targeted drug delivery system. • Oral Controlled release drug delivery system. • Transmucosal drug delivery system. • Microspheres/ colloidal drug delivery. <u>Well-versed with:</u> • Stability study guidelines and protocols. • Drug Excipient compatibility studies. • Optimization techniques (e.g. Design of experiments using factorial design). • Kinetics of drug release profiles. • Statistical data evaluation.
